

Career Opportunity

GIS Technician/Draftsperson

Location: Cairns

NRA Environmental Consultants, an independent Australian company with an excellent reputation for providing credible high quality services, employs dedicated environmental practitioners who use their expertise in natural resource management to provide practical solutions for our industry, resource and government clients.

We are based in Cairns and Townsville and have been in business for 25 years. NRA was the 2009 Queensland Winner of the Telstra Sensis Social Responsibility Award.

We are looking for a GIS Technician/Draftsperson to work in our busy Cairns office. The successful candidate will be able to maintain a high level of precision and competence in the disciplines of GIS, map production, and data collection and maintenance. Experience with Mapinfo is essential and experience with Autocad will be highly regarded. Graduate students looking to kick-start their career in GIS are welcome to apply.

Position descriptions can be obtained by contacting **Ted Tudor on 07 4031 5122** or by emailing **ted@natres.com.au**. Conditions of employment will be discussed during the interview process.
